Help us campaign for UK Churches to
disinvest from fossil fuel companies

***“People of conscience need to break
their ties with corporations financing
the injustice of climate change.”***

Archbishop Desmond Tutu

Be part of the global movement to end financing of fossil fuel extraction.

How can you get involved?

- Sign a petition to one of the major UK Church denominations.
- Write a letter, or get your church to write a letter, to Church investment decision-makers.
- Raise a motion calling for divestment through your regional or national Church denomination governing structures.

Help us build the campaign by informing others, holding an event or encouraging your church leaders to get involved.
